Ch: Let it go my love my truest = Let it sail on silver wings
Life's a twinkling that's for certain = and it's such a fine thing
There's a gathering of spirits = there's a festival of friends
And we'll take up where we left off = when we all meet again

V1: I can't explain it - I couldn't if I tried
How the only things we carry are - the things we hold inside
Like a day in the open - like a love we won't forget
Like the laughter that we started - and it hasn't died down yet

V2: Oh yeah now didn't we, and don't we make it shine
Aren't we standing in the center of - something rare and fine
Some glow like embers - like a light through colored glass
Some give it all in one great flame - throwing kisses as they pass

V3: Just east of Eden - but there's heaven in our midst
And we're never really all that far - from those we love and miss
Wade out in the water - there's a glory all around
And the wisest say there's a 1000 ways - to kneel and kiss the ground
