V1: Imagine me and you, I do,
I think about you day and night, it's only right,
To think about the girl you love and hold her tight,
So happy together

V2: If I should call you up, invest a dime,
And you say you belong to me and ease my mind,
Imagine how the world could be, so very fine,
So happy together

When you're with me, baby the skies'll be blue,
For all my life

V3: Me and you and you and me,
No matter how they toss the dice, it had to be,
The only one for me is you, and you for me, So happy...
