

Give Me One Reason

Key: F#

P:Bb

In: F# B C# F# F#

**Ch: Give me one reason to stay here,
And I'll turn right back around, (2: turn around ooh)
Give me one reason to stay here,
And I'll turn right back around, (2: turn around ooh)
Because I don't wanna leave you lonely,
But you got to make me change my mind**

**V1: Baby, I got your number,
And I know that you got mine,
But you know that I called you,
I called too many times
You can call me baby, you can call me anytime
But you got to call me**

Repeat chorus with back-vocal echo

**V2: I don't want no one to squeeze me
They might take away my life (ho-ld me ooh)
I don't want no one to squeeze me
They might take away my life (ho-ld me ooh)
I just want someone to hold me
And rock me through the night**

(Solo)

**V3: This youthful heart can love you
And give you what you need (wh-at you need)
This youthful heart can love you
And give you what you need (wh-at you need)
But I'm too old to go chasing you around
Wasting my precious energy**

**V4: Baby, just give me just one reason
Give me just one reason why
Baby just give me one reason
Give me just one reason why I should stay
Because I told you I loved you
And there ain't no more to say**
